Education

Armenian Code Academy / Mastering front-end development
2019 - 2020, Yerevan, Armenia

Armenian State Agrarian University / BS in Winemaking
2004 - 2009, Yerevan, Armenia

Yes, I'm a former winemaker. Revealed a lot of creativity while working with wines for around 6 years, and since I was great at problem solving in university later I decided to switch to the Tech industry.
